

North America Education Center Management (NAM ECM)

Siemens Healthineers provides unparalleled education, training and solutions to help laboratories excel. We offer a wide range of educational and training services to ensure healthcare professionals are kept up to date on product information.

ONLINE REGISTRATION

Visit NAM ECM - <https://nacce.siemens-info.com/>

- Access the Virtual Training Schedule – Select the **Training** tab > **Laboratory Diagnostics** > **Virtual Training**

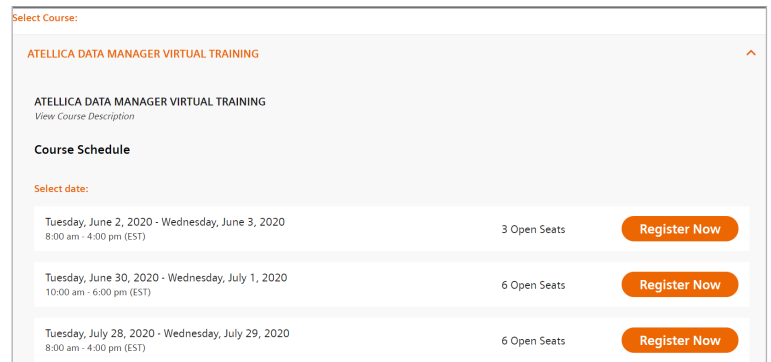

- Click on the **View Current Schedule** button

Laboratory Diagnostics – Virtual Training

Virtual training sessions include an interactive instructor-led training environment, featuring a variety of hands-on exercises and knowledge-based assessments for instrument operation. An installed and validated instrument is required during the training event, in addition to access to a computer and speakerphone/audio.

[View Current Schedule](#)

- Select – **Product > System > Course**
- Click on **View Course Description** for course information
- Select the **Register Now** button for the preferred class and date

- Complete and submit the registration form.
- Upon submission an automatic email confirmation is sent to the participant, the manager and the registrar if participant is not self-registering.
- The email confirmation will include all pertinent details to prepare the participant for the training class (see example below).

<input type="text"/>	Siemens Account Number (if known)

Dear JANE DOE,

Welcome to Siemens Healthineers Virtual Education.

We are pleased to confirm your registration in the following training class. Details of your course are outlined below.

- Course Name: ATELLICA DATA MANAGER VIRTUAL TRAINING
- Course Date/Time: 06/2/2020, 8:00am EST through 06/3/2020, 4:00pm EST

This course will be delivered by a technical trainer in a virtual class environment using a variety of instructional methods, including presentations and interactive learning activities.

Each participant will require the use of an individual computer and microphone. Pre-registration is a requirement for attendance. To receive a certificate of completion, participants should be present for the entire duration of this course. *Please note that only registered participants will receive a certificate of completion.*

To join the training session:

1. Go to <https://siemenstc.webex.com/siemenstc/k2/j.php?MTID=tdc6cb7c4e1232fefa573edbb2fa693c8>
2. Enter your name and email address.
3. Click "Join Now."
4. Follow the instructions that appear on your screen.

PRE-TRAINING ASSIGNMENT: To help you prepare for your training class, please complete the required online Pre-Training for this course, which you will find by clicking the following link:
