

# Dimension® Systems Virtual Training

## Preparation Checklist

### General information about the training:

- Participants should receive a Registration Confirmation email for the upcoming virtual training class that includes the following:
  - Weblink to join the virtual training session
  - Link to the Course Pre-Training (*if applicable*)
  - Link to download training materials
- Registered participants must be present for the entire duration of the course to receive a certificate of completion.
- Participants will require the use of a computer with speaker and microphone. In the event that the computer does not have an audio option, we will provide a dial in option at the beginning of the session.
- An Installed and Validated Instrument is required for the duration of the virtual training event.
