epoc® Blood Analysis System with NXS Host
Self-Guided Education Program

Education Resources

- epoc® Blood Analysis System with NXS Host Competency Checklist
- epoc® Blood Analysis System with NXS Host Knowledge Assessment

System Overview

- epoc® Blood Analysis System with NXS Host Hardware Overview Online Training
- epoc® Blood Analysis System with NXS Host Software Overview Online Training
- epoc® Blood Analysis System with NXS Host System Overview Video
- epoc® Blood Analysis System with NXS Host Charging The System For The First Time Video

Sample Processing

- epoc® Blood Analysis System with NXS Host Performing a Whole Blood Test Video
- epoc® Blood Analysis System with NXS Host Performing a Capillary Blood Test Video
- epoc® Blood Analysis System with NXS Host Performing a Blood Test Using A Syringe Job Aid
- epoc® Blood Analysis System with NXS Host Performing a Blood Test Using A Capillary Tube Job Aid

Quality Control

- epoc® Blood Analysis System with NXS Host Performing External Liquid Quality Control Video

Maintenance

- epoc® Blood Analysis System with NXS Host Cleaning The System Video
- epoc® Blood Analysis System with NXS Host Care Of The epoc System Job Aid
- epoc® Blood Analysis System with NXS Host Changing The epoc Reader Battery Job Aid
epoc® Blood Analysis System with NXS Host
Self-Guided Education Program

- epoc® Blood Analysis System with NXS Host Changing The epoc Reader Battery Door Job Aid
- epoc® Blood Analysis System with NXS Host Cleaning The epoc After The System Has Come Into Contact With Blood Job Aid
- epoc® Blood Analysis System with NXS Host Replacing The Reader Rubber Feet Job Aid
- epoc® Blood Analysis System with NXS Host Cleaning the epoc System Job Aid

Troubleshooting

- epoc® Blood Analysis System with NXS Host Troubleshooting Result Error Messages Job Aid
- epoc® Blood Analysis System with NXS Host Identify Out-Of-Range Results On The Test Card Job Aid
- epoc® Blood Analysis System with NXS Host Troubleshooting Hardware Job Aid
